

***Strong, healthy citizens and communities, speaking our languages and celebrating who we are and our history in our ancestral homelands, working together, managing our lands and resources as a self-sufficient, self-governing Nation.***

**Ktunaxa Nation Vision Statement**

# My Land, My Language, My People

- Ka ?amaknata
- Ka ?aktukaqwata
- Ka ?aqtsmaknikmatnata

# Strategic Approach

- Building strong, healthy families – not just getting rid of problems...
- Implementing values-based governance – not just adopting status quo...
- Balancing interests across the Sectors – not competing with each other...
- Having ecosystem based land use planning – not just resource development...
- Managing an Economy – not just managing economic development...
- Clarifying the relationship of people to the land; possession, occupancy and use (tenure) – not just developing the land...
