

Racism, Health Services and Health Outcomes: An Aboriginal Australian Perspective

The UBC Division of Aboriginal People's Health is pleased to invite you to a special presentation by Professor Dennis McDermott, Director of the Poche Centre for Indigenous Health and Well-Being, Adelaide, at Flinders University for an interactive discussion on "Racism, Health Services and Health Outcomes: An Aboriginal Australian Perspective."

When and **Where** Is It? It will take place on Monday, June 10, 2013 from 2:00-3:30 PM at the University of British Columbia. The event will take place at the UBC School of Population and Public Health – Room B151, 2206 East Mall, Vancouver

Please **RSVP** to Kathryn Berry, Program Assistant at kathryn.berry@ubc.ca if you plan to attend.

Dennis McDermott is the Associate Head of Faculty, Aboriginal and Torres Strait Islander Health, within the Faculty of Health Sciences at Flinders University. He is also the Director of the Poche Centre for Indigenous Health and Well-Being, Adelaide.

A Koori man, his mother's family are from Gadigal land (inner Sydney) with connections to Gamilaroi country (north-west NSW). Dennis has worked in such diverse fields as alcohol and other drug education and counseling, private therapeutic practice, community health and men's health research. He has trained Aboriginal foster carers, supervised counselors to the 'stolen generations' and worked with families dealing with a death in custody.

a place of mind
